Fundraising/Volunteering THANK YOU!!!

Thank you for your participation in the Winter Fundraising campaign! Our funds raised go toward ice fees and equipment and admin/office costs. Without fundraising, Ice Edge Skating Club would not be able to offer quality skating lessons to the children in our community.

Our club is a nonprofit society that relies on the support of its members and the community in order to offer these amazing programs for your children!

Our fundraising goal this 2016/2017 year is \$20,000! Your \$40 fundraising/volunteer deposit is refunded when you have contributed by way of volunteering and/or fundraising. Your \$40 is not enough for us to offer our programs; we also rely on your time and help!

A new option for fundraising this session is: Fill an Ice Edge Recycle Bag full of bottles and receive 25 credits. You can request more bags from us if you wish to earn credits that way!

All CanSkate and CanPowerSkate members are required to earn 200 fundraising and/or volunteer credits in order to receive the \$40 deposit refund per session. You have received a credit tracking sheet with instructions to complete and hand in before the end of the session.

Our volunteer roles, available board positions and current fundraising events are posted on our website. For further information, contact fundraising@iceedgeskatingclub.com
