

# Program Assistant Training for StarSkaters Sunday, September 20, 2020

## Overview and Purpose

Do you love skating? Do you want to gain work experience and help others? Program Assistant training is mandatory and will help you grow as a skater, person, and a leader, with a professional course material. You will learn how to deal with different personalities of children, be assigned roles and responsibilities, be a demonstrator, help lead warm-up and cool-downs, and get to know Skate Canada's Canskate program from behind the scenes. Get to know your skating friends and community and use your volunteer hours for credit for high school, jr. high gym class, or jr. high health class.

## Who needs to attend?

*All StarSkaters level 2 or higher.*

## How will I be compensated?

*Ice Edge wants to thank you for your time by rewarding you with a small gift. This is issued by the club at the end of the skater's Program Assistant term as a token of appreciation!*
