

CanSkate Program Assistant (PA) Training

All StarSkaters

Sunday, September 12, 2021

Overview and Purpose

Do you love skating? Do you want to gain work experience and help others? Program Assistant training is mandatory for all StarSkaters and will help you grow as a skater, person, and leader with professional course material. You will learn how to deal with different personalities of children, be assigned roles and responsibilities, be a demonstrator, help lead warm-up and cool-downs, and get to know Skate Canada's Canskate program from behind the scenes. Get to know your skating friends and community and use your volunteer hours for credit for high school, jr. high gym class, or jr. high health class.

How old do I have to be?

1. Sr. Program assistants have to be 12 years of age or older
2. Jr. Program assistants have to have a Star skate level of 2 test or higher

How will I be compensated?

Ice Edge wants to thank you for your time by rewarding you with a small gift card at Christmas time and at the end of the Winter 2022 session!
