Re: TEAM LINKT FOR COVID-19 SCREENING

Attention Ice Edge Members:

As part of our Covid-19 procedures, we are using an app called TEAM LINKT. You will be receiving an email from Team Linkt inviting you to join a Team Linkt group for each session that your skater(s) are registered for. This way you can submit your Covid-19 screening easily.

It is mandatory that the health screening waiver be completed before your child's skating class. This is a requirement of Skate Alberta and will help us ensure all skaters are healthy and safe, and will also assist with contact tracing if necessary.

On the day of a skating class, you will be prompted to complete the health screening waiver for that class. Below are examples of what you will see inside the app and what you should do.

Please note you will not be able to complete the health screening waiver until the day of the class.

PLEASE NOTE: WE ARE NOT USING THIS APP TO COMMUNICATE WITH OUR MEMBERS. PLEASE ONLY USE IT TO COMPLETE THE WAIVER FOR EACH CLASS.

Thank you,

Ice Edge Skating Club
